Letter of Recommendation

To Whom It May Concern:

It is a great pleasure to recommend Johnson Building Corporation. I have the fortunate opportunity of working with the company for 8 years. They have been Trak Auto's major contractor for over 5 years, including the year we remodel and/or constructed over 75 stores. Their pricing, workmanship, and professionalism has always met or exceeded our requirements.

I highly recommend Johnson Building Corporation for all of your construction needs.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerome A. Sedgers", with a long, sweeping horizontal line extending to the right.
